

ALIGN

We aim to be aligned with who God desires us to be and how He plans to use us in His plan of salvation for His creation.

Alpha: a 12-week series to help build, or strengthen, your Christian foundation. Each session explores a basic principle of faith, and no question is off limits! Whether a new believer, a non-believer, or seasoned in your faith: *Alpha is for everyone!* We enjoy dinner together, a short teaching, group conversation, and close with prayer.

Wednesday evenings from 6:00-8:00pm in the AXIS, Returns Fall 2025

Blueprints of Belief (BOB): have you ever noticed that you believe something without actually knowing why you believe it? Together, we will walk through the foundations of Christian belief in a way that will help you understand more deeply and even help you talk about it more easily. Facilitated by Justin Braun, this class will be conversational and relational as we all dive into a whole gambit of topics from the Holy Spirit, Trinity, reading the Bible, and so much more.

Coming to Wednesday evenings in Spring 2025
